Training Leisure Beach

ANALYSIS PHASE

Customer Interests

What drives our customers' passion for water activities?

♥ TOP 5 CATEGORIES

01

Swimming & Water Sports

Core interest in training, competitive swimming, and general aquatic sports.

Performance

02

Beach & Vacation

Family trips, sunbathing, and recreational beach games.

Leisure

03

Snorkeling & Diving

Exploration of underwater environments and marine life observation.

Adventure

04

Fitness & Lifestyle

Commitment to a healthy lifestyle through regular aquatic exercise.

Health

05

Equipment & Apparel

Interest in high-quality gear, latest technology, and durable swimwear.

Gear

Customer Behaviors

How regular habits and seasonal events drive purchasing decisions.

Regular Engagement

Core customers are regular swimmers who actively attend swimming clubs and scheduled training sessions, creating a consistent demand for durable gear.

 High Frequency Use

Smart Buying Mix

Purchasing behavior is balanced. Buyers select premium gear for performance-critical items while opting for affordable options for accessories and spares.

 Premium vs. Value

Tournament Spikes

Sales surge during competition seasons. Athletes and competitive swimmers invest in specialized professional swimsuits and technical gear specifically for tournaments.

 Seasonal Peak

Strategy: Highlight high-inventory stocking with local club tournament calendars to maximize seasonal sales.
