Store location: Cliopatra street at the intersection with El Nady street, in front of the old courthouse.

Products are sold through the physical store in Tanta, & online through social media platforms & website, and shipping is available to all locations across Egypt.

What make the store special is the Variety in designs suitable for all tastes, and the good materials that are original, very comfortable, available in all sizes, and never get transparent.

Work force:

- 1 Store Manager
- 2 Cashiers
- 2 Social Media Manager
- 3 Marketers

Every one works together and collaborate to fit perfectly and make work go smoothly without any obstacles.

Money:

Money is distributed into four part: employee's salary, social media ads, bought stock, and store rent.

We have got 5000 for online advertising, 3000 will be spend on Meta ads, & 2000 will be spend on TikTok ads; an A/B test will be made on TikTok, so not all of the 2000 will be spent in a wrong path.
