

SMART

SPECIFIC

Increase the number of followers on Instagram and TikTok to improve the brand's online presence.

MEASURABLE

Increase Instagram followers from 57 → 1200-1500
Increase TikTok followers from 110 → 800-1000

ACHIEVABLE

The target can be achieved through consistent content creation and social media marketing.

RELEVANT

Increasing followers will help improve brand awareness and reach more potential customers.

TIME-BOUND

Reach the target number of followers within 2-3 months.
